**Collection Number V-64-3-3**

**Accession Number 2012.34.1**

Compiled 2012

## COLLECTION DESCRIPTION

This collection contains articles and biographical materials on the career of James Tollinger, Director of Research and Development for the Ithaca Gun Company from 1968 to 1987, when the firm declared bankruptcy. Tollinger was the designer of the famous Ithaca Mag 10, an autoloader designed for the 10 gauge magnum load, which was especially profitable for the company.
