EXPLORE the Museum!

 THE HERITAGE  
LAB

**Choose a different object  
for each challenge.**

- Something that is bigger than you

---

- Something you want to keep in your home

---

- Something that you can wear / wrap around yourself

---

- Something has a mythological story

---

- Something that can float in water

---

- Something that would decompose in the next 10 years if buried

---

- Something that can be used to carry water

---

- Something that depicts nature

---

- Something that has religious significance

---

- Something you can use to protect yourself from, in a forest

---

- Something that you would use to give as an award like the "Oscar"!

---

- Something you can use even today

---

- Something you want to find out more about

---

- Something you can fit in your pocket

---

- Something that you think is the same weight as you

---

- Something that reminds you of your home

---
